## Fiction

### **[An American Marriage](#) by Tayari Jones**

When her new husband is arrested and imprisoned for a crime she knows he did not commit, a rising artist takes comfort in a longtime friendship, experiencing unexpected challenges when her husband's sentence is suddenly overturned.

### **[Force of Nature](#) by Jane Harper**

When a member of a five-woman team of co-workers who has information as a whistleblower goes missing during a corporate retreat, federal police agent Aaron Falk uncovers dark secrets in his search for her. By the author of *The Dry*.

### **[White Houses](#) by Amy Bloom**

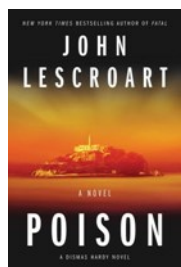

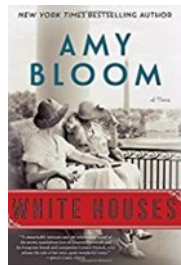

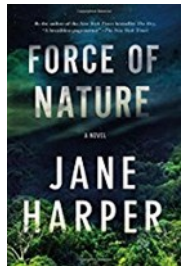

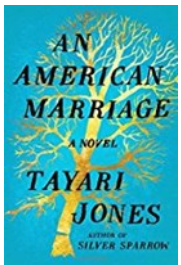

A New York Times best-selling author presents a novel inspired by the life of Lorena Hickok, and on her love affair and enduring friendship with First Lady Eleanor Roosevelt.

### **[Poison](#) by John Lescroart**

When the owner of a successful family business is murdered, attorney Dismas Hardy doubts the guilt of a chief suspect and instead combs through dangerous secrets and agendas to identify a killer among the victim's numerous heirs.

### **[The Glass Forest](#) by Cynthia Swanson**

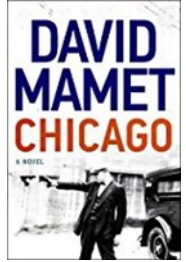

A work of suspense set in the autumn of 1960 Wisconsin, where the marriage of a young mother is shattered by a family murder-suicide and the enigmatic nature of a teenage niece placed in her care. By the award-winning author of *The Bookseller*.

## [The Bad Daughter](#) by Joy Fielding

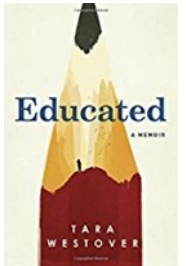

Estranged from her family because of tension with her stepmother, Robin returns home after a brutal home invasion, hoping to mend fences, only to uncover horrible family secrets that may have led to the attack. By the author of *See Jane Run*.

## [Chicago](#) by David Mamet

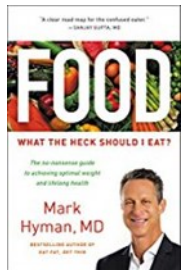

The screenwriter of *The Untouchables* and playwright of *Glengarry Glen Ross* presents a novel set in the 1920s Chicago mob scene following the experiences of a WW I veteran seeking justice against the man who killed the woman he loved.

# Non-Fiction

## [Educated: A Memoir](#) by Tara Westover

Traces the author's experiences as a child born to survivalists in the mountains of Idaho, describing her participation in her family's paranoid activities and her resolve to educate herself well enough to earn acceptance into a prestigious university, and the unfamiliar world beyond.

## [Food: What the Heck Should I Eat?](#) by Mark Hyman

The best-selling author of *The Blood Sugar Solution* demystifies conflicting dietary advice to explain the crucial role of food in health, examining each food group to reveal what popular opinions have gotten right and wrong so that dieters can make informed choices to lose weight and promote wellness.
