**“Maker Day at Rocky River Public Library”
Saturday, January 26th**

On Saturday, January 26th from 10:00 a.m. to 2:00 p.m., Rocky River Public Library will be offering a selection of activities for children, teens, and adults that incorporate technology and creative thinking. From crafts to circulating S.T.E.M. kits to 3D printing, demonstrated by Eagle Scout Sean Berquist and fellow Scouts, there will be opportunities for a variety of new experiences for patrons to enjoy.

Mr. Berquist will also provide future programs on 3D printing for Grades 1-3, 4:14-4:45 Tuesday January 29th, Grades 4-6, 3:30-4:15 Tuesday February 5th, Grades 7 and up, and Tuesday 3:30-4:30 February 13th.

Additional details and times are available at www.rrpl.org, or call Rocky River Public Library at 440-333-7610.
