DATABASE SOURCES

RRPL offers a variety of online sources relating to business, investing, and law. To access these resources, visit <http://www.rrpl.org>, click on "Research Resources" on the left side navigation menu and choose "Business & Investing" under the provided subject listing. You will need an RRPL card to access these resources remotely.

BUSINESS SOURCE PREMIER

The industry's most used business research database provides full text for more than 2,300 journals, including full text for more than 1,100 peer-reviewed titles. It offers full-text coverage in all disciplines of business, including marketing, management, MIS, POM, accounting, finance and economics. Updated daily on EBSCOhost.

LEGAL FORMS LIBRARY

Thousands of legal forms available including Official, State Specific, Federal, Business, Personal, Real Estate and General covering hundreds of legal subjects and issues. Drafted by attorneys for a particular legal matter, forms from public records and participating companies and attorneys. "Official" forms for many states are also included.

MORNINGSTAR

Access the Premium Edition of this highly regarded stock research and analysis tool. Look up companies to get information on their stock performance, expert analysis of possible future earnings, news reports, and more. Includes bond ratings, international stocks, mutual funds, and ETFs.

REFERENCE USA

A comprehensive business (and residential) U.S. and Canadian phone directory is searchable by many different criteria. Provides company information including business profile, addresses, executive names, sales figures, company news, and location maps. Can be searched by SIC/NAICS code or industry group to get a specialized list of companies by chosen geographic region. Also includes a separate database of new businesses.

VALUE LINE INVESTMENT SURVEY

(Available for In-Library Use Only)

Value Line is a complete, multidimensional investment management solution that enables both new and experienced investors to make timely, better-informed decisions. It provides a wealth of in-depth financial information, objective research, insightful commentary, proven price projections, and advanced analytical tools.
