#### **September 20: What's New at the Library? (CLEVNET)**

Starting in 1982, CLEVNET has grown into a 44-member consortium spanning 12 counties. One of the largest library sharing systems in the world, CLEVNET provides 1 million customers access to 12 million items. In May, Rocky River Public Library joined CLEVNET to give you, our patrons, access to all those materials. Discover how to find materials and have them delivered at the library of your choice.

#### **October 18: Personal Security Using Mobile Devices**

John Dolinar, Executive Director Enterprise Infrastructure Services at Cuyahoga Community College, will join us again to discuss how to keep ourselves safe using mobile devices such as tablets and smartphones.

#### **November 15: How NASA Technology Improves Quality of Life**

Have you ever wondered how space exploration impacts your daily life? Space exploration has created new markets and new technologies that have spurred our economy and changed our lives in many ways. Irebert R Delgado, NASA Glenn Research Center, will guide us through our discovery.

#### **December 13: Care of Mobile Devices**

A vast array of information exists on how to care for computers. Have you wondered how you should be treating your tablet or smartphone? Or, wondered what will help make your device last longer? Mike Parikh, iPhone-Mend, LLC, will lead the discussion and leave us with a few tips.
