Rocky River Public Library Receives 2020 Cox Charities Northeast Community Grant

On Thursday, May 14th Rocky River Public Library will receive a 2020 Cox Charities Northeast Community Grant for over \$2,500 during an online award ceremony.

The Library will use these funds to purchase Cricut Maker ® + Essentials and Cricut Easy Press Everything Iron-On Bundles, and five GoldieBlox Maker's Essentials Toolkits. This equipment will be used to support growth in individual, original thinking through programming with the Children's Department and spark independent creativity in our older teens and adults.

Rocky River Public Library is excited to add these new tools to our collection and look forward to the time when we can again directly engage our patrons through programming and individual exploration.

Call 440.895.3750 or email s.hayman@rrpl.org for more information.
