SONGS & RHYMES

X-ray Vision Game

Put all kinds of items in a box and let the kids (who have something covering their eyes) identify them without sight, only touch or smell. This can get very funny when you put all kinds of silly things in the box, for instance if you put half of a tomato and you stick one of the kid's fingers in it. Be creative!

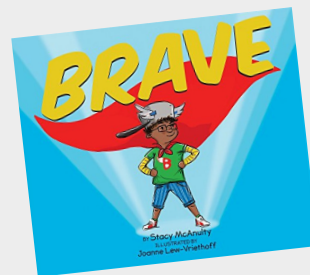

Song: Superheroes (Tune: Wheels on the Bus)

The Superheroes arms can flex and lift,
Flex and lift, flex and lift,
The superheroes arms flex and lift,
All around the town....
Eyes go zap, zap, zap...
Legs run very fast...
Flies like zoom zoom zoom!

Ask kids for more ideas for actions superheroes do.
