

BOARD POLICIES

SMOKING AND TOBACCO USAGE

Approved: May 27, 2009

Revised: February 26, 2014

The Rocky River Public Library will provide a smoke-free environment to its patrons and employees. This applies to all public places of the Library property whether internal or external to the Library building. This includes the Reading Garden, all walkways, sidewalks, driveways, parking lot and the Library grounds. This policy also applies to the use of all tobacco products that are not ignited such as chewing tobacco or snuff, as well as to the product commonly referred to as the electronic cigarette and to any equivalent products.
