

HIGHLIGHTED NATURE MOMENTS:

NATURE SCENES INSIDE THE MURAL:

CIRCLE YOUR SAYING:
LOVES THIS IDEA 5-4-3-2-1 OTHERS ARE BETTER 5-4-3-2-1

5-4-3-2-1
1 WING SPAN COMPARISON
Large birds of prey with their wings fully extended at various heights to show the actual size of the birds up close.

5-4-3-2-1
2 BIRDS PULLING BANNERS
Birds who are each towing a banner with their name on it similar to air advertisements pulled by small planes.

5-4-3-2-1
3 LOCAL WATERWAYS
A view showing the Cuyahoga river and the Rocky River Reservation.

5-4-3-2-1
4 TREE SHAPE COMPARISON
Chart showing how the width and height of trees varies greatly between the different species.

5-4-3-2-1
5 ANIMAL HEIGHT COMPARISON
View of a large buck standing next to a yardstick so students can compare their height to that of the actual size animal.

5-4-3-2-1
6 BUG ZOOM VIEW CHART
View of under a log with tiny bugs in the mud, but each is magnified to show detail renderings of usually tiny insects.

5-4-3-2-1
7 BUTTERFLY SHADOWBOX
A section from floor to ceiling that looks like you're standing surrounded by butterflies that grow in scale as they rise.

5-4-3-2-1
8 SNAKES IN THE GRASS
Overhead view of thick grass with different snakes whose bodies are partially obscured within the grass.

5-4-3-2-1
9 LEAF SHAPE CHART
View of different leaves compared to one another and labeled.

5-4-3-2-1
10 RODENT RACETRACK
View of forest floor with rabbits and chipmunks running blurringly fast with their labels trailing behind them.

5-4-3-2-1
11 PAW PRINT IMPRESSIONS
View of a section of mud with the names of each species set under the impression of their paw print in the mud.

5-4-3-2-1
12 UNDERGROUND BURROWS
View showing the different types of homes animals make underground.

5-4-3-2-1
13 UNDER THE SURFACE
Underwater view in the Cuyahoga River to show an entire ecosystem of plants & animals existing just under the surface.

5-4-3-2-1
14 MUSHROOM LOCATOR
View of a damp area containing a collection of mushrooms, with the names below to be matched to the image.

5-4-3-2-1
15 FLOWED COLOR WHEEL
Art color wheel but made entirely from local Ohio flowers who's colors coordinate with the wheels color.

5-4-3-2-1
16 I SPY A BOBCAT
woods scene where a bobcat is labeled but it's location is unknown, prompting students to find the elusive cat.

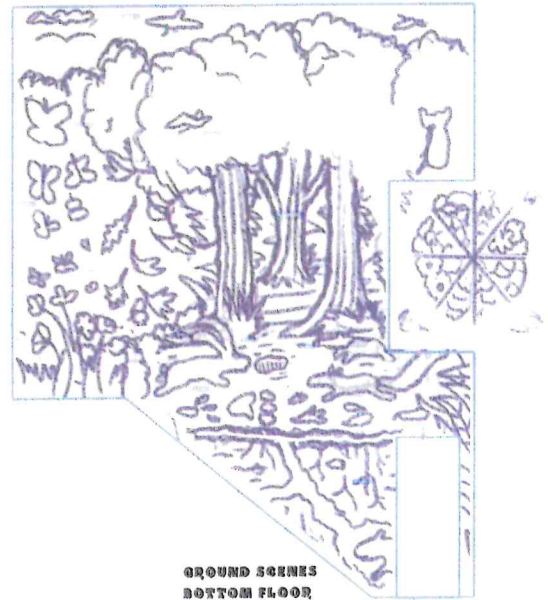

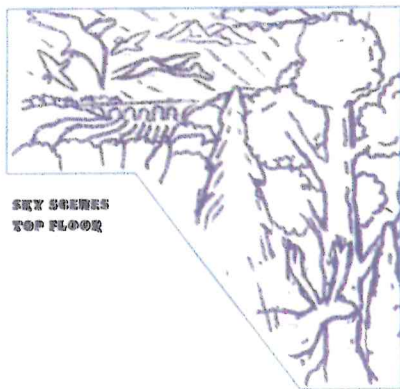

5-4-3-2-1
17 TREE ROOT SYSTEM VIEW
Under Earth view of how large the root system of a tree is compared to the part of the tree that is above the surface.

COMMUNITY SURVEY FOR UPCOMING MURAL AT THE RRPL!

A new mural is soon to be drawn for the Rocky River Public Library stairwell that features a series of moments in nature.

Listed on page 2 are the different scenes that will be incorporated into the artwork. If reading the questions below spurs any other ideas or thoughts, we'd love to hear them!

QUESTIONS ABOUT THE ARTWORK:

Any ideas for ways a scene could be improved?

Any ideas for ways to make a scene more exciting, clever, or special?

Any ideas for a new scene, that could replace one of the above?

Any favorite local plants or animals that we should consider?

Any other feedback?

3 WAYS TO SUBMIT!

Give to a library staff member

Text or email a photo of survey

Call and leave a voicemail with your feedback!
