Stacey Ganor Joins Rocky River Public Library Board of Trustees

Stacey Ganor has been appointed by the Rocky River Board of Education to a 7-year term on the Rocky River Public Library Board of Trustees.

With a Bachelor of Science in International Studies from the Ohio State University and a J.D. from Case Western Reserve University, Ms. Ganor has a wealth of experience in working on behalf of individuals and their families to navigate difficult situations and plan for the future. Through a lifetime of use, Ms. Ganor has developed a deep appreciation for the role public libraries play in both supporting an individual's education and also creating a shared space welcoming the community to gather together. Ms. Ganor says, "Libraries are one of the single most important institutions of humanity. While they may have begun as places for only the educated, they have evolved to be a potential equalizer between those born into the privilege of education and the attendant access to information, and those who were not."

A former trustee of the Cuyahoga County Bar Association and current Advisory Board Member of Almost Home Dog Rescue of Ohio, Ms. Ganor brings a wonderful range of previous experience to this new position. Ms. Ganor and her family are longtime residents of Rocky River, with their twin sons graduating from Rocky River High School.

Ms. Ganor is succeeding Audra Bednarski, who has volunteered her time as a Library trustee for the past 14 years. Ms. Bednarski served as President and Vice President of the Board of Trustees for two separate terms, was an appointee to the Rocky River Public Library Foundation, and helped to successfully guide the Library through the ever-changing landscape of the COVID-19 pandemic. The Library sincerely thanks Ms. Bednarski for her years of dedicated service and looks forward to working with Ms. Ganor.
